

The League of Women Voters Resolution

WHEREAS, for an organization to be non-partisan, the parties must agree that it is not partisan; and

WHEREAS, half of the candidates running for state legislative offices in 2024 declined to participate in forums held by the League of Women Voters in Fremont County; and

WHEREAS, the League of Women Voters has stated support for partisan legislation such as the Affordable Care Act; and

WHEREAS, the League of Women Voters supports abortion, contrary to the first plank of the Fremont County and Wyoming Republican Party platforms; and

WHEREAS, the League of Women Voters has stated that they oppose the D regulation done by the EPA during the Trump administration, which was a key block of the Trump Campaign; and

WHEREAS, the League of Women Voters has stated they oppose HB0156 (and the SAVE ACT) which requires documentary proof of US citizenship to register to vote for an election in Wyoming; and

WHEREAS, the League of Women Voters supports the Democratic idea that we live in a democracy as evidenced by their support of and the free hand out of the book "Democracy Under Construction; and

WHEREAS, the League of Women Voters has shown support for both the American Library Association and the Fremont County Library system and their providing of sexually explicit and obscene material to minors,

NOW THEREFORE, be it resolved, the Fremont County Republican Party declares that they do not accept that the League of Women Voters is a non-partisan organization.
